SoLa I CAN's

# Tech and Entrepreneurship Summer Camp

June 14 - July 16, 2021

---

## IF YOU CAN SEE IT, YOU CAN BE IT.

The SoLa Technology and Entrepreneurship summer camp offers fun, high quality, educational and leadership programming in technology skills and entrepreneurship, **free of charge to students in South LA.**

---

5 one-week Tech Camps available for South LA students ages 10-14.

Dive into the world of technology and design! Campers will be immersed in a weeklong exploration of fun, creative, and exciting tech experiences utilizing state-of-the-art iMac and gaming computers, Oculus virtual reality headsets, old-school arcade games, and more.

Students are welcome to sign up for multiple weeks of camp classes but space is limited.

# Camp programs & Dates:

## Create & Animate

(JUNE 14-18)

Love drawing, animation and characters? Discover animation software to create your own stories and characters! Then build your own website to showcase your work.

## Design a Gaming World

(JUNE 21-25)

What kind of video games do you love to play? Create your own video game story, characters, console and game type. Then design your own Twitch or YouTube page to develop your brand.

## Tech Up Digital Storytelling

(JUNE 28-JULY 2)

This week is all about telling your story through street art and documentary filmmaking. Learn how to design and create exciting movies!

## Lights, Camera, Action!

(JULY 6-9)

What are your favorite brands? Create a commercial or advertisement for a product that you love. Then dream up promotional posters, branded materials and more!

Ps

## Graphic Design & Digital Photography

(JULY 12-16)

Create your own custom filters, photoshop your friends and family, and develop your skills in digital photography to tell your story through images and design.

Camps run Monday through Friday. Lunch is provided daily. Drop off at 9am. Pick up at 3pm.

## COVID Safety

LA County COVID safety protocol will be followed at all times including wearing masks, social distancing, frequent handwashing, and cleaning/sanitizing of high-touch surfaces. We will enforce a 20% room occupancy limit. Please see our site ([solaican.org](http://solaican.org)) for further details on our COVID safety regulations.
